Smith Named PRC Alumnus of the Year

Martin T. Smith, a Poplarville lawyer and Mississippi state senator, was named Pearl River Junior College's 1983 Alumnus of the Year here Saturday during PRC's Homecoming activities.

Smith, a native of Poplarville and a 1954 honor's graduate and student council president of Pearl River College, has served as state senator representing District 47 since 1968. He was recently re-elected for his fifth term.

"He has always supported legislation for Mississippi Junior Colleges," said Dr. Marvin R. White, president of PRC. "He has worked long and hard with me in getting documents approved by the State Building Commission, and other state agencies, so we could secure funds to construct buildings on this campus and at our other centers."

Smith, who is also the attorney for the PRC Board, has visited with President White and the county board of supervisors of the six counties supporting PRC, seeking their additional support of the college.

"Martin has always made time for Pearl River College," said Dr. White. "He has been a valuable asset to this college for many years as an attorney, as a legislator and as a friend of the college."

Smith, who has served as president of the PRC Alumni Association, is very active in the Poplarville Methodist Church, in civic organizations of the community and the public affairs of the town.

He graduated from the University of Mississippi, where he earned his bachelor's degree and juris doctorate. In 1958 he opened his law practice in Poplarville and is now a partner in the law firm of Smith, Smith, Tate, Stuart, and Cruthird with offices in Poplarville and Picayune.

He is presently serving as chairman of the Senate Judiciary Committee and has served on numerous legislative committees such as finance, appropriations, and PEER. He has had membership in Pi Kapp Alpha, Phi Alpha Delta, and has served as a State Bar Commissioner of the Mississippi State Bar Association, and as a member of State Building Commission.

He is presently a member of the Pearl River County and American Bar Associations, the Mississippi State Bar, the Mississippi Trial Lawyers Association and the Association of Trial Lawyers of America.

As a member of the business community, Smith has been a member of the Jaycees and is a past member of the Board of Directors of the Poplarville Chamber of Commerce. He was a member and president of the Poplarville-Pearl River County Airport Board and was instrumental in securing the local airport.

Smith served as chairman of the Board of Directors of First State Savings and Loan Assocation of Poplarville and is presently serving as chairman of the Board of Directors of Unifirst — Poplarville and Picayune branches. He is also serving as chairman of the state-wide Unifirst Advisory Council.

Smith is married to the former Delores Thomas of Poplarville and they are the parents of a son, Martin Barney. Senator Smith is the son of the late Martin L. Smith and Mrs. Louise Smith of Poplarville.

Commonwealth, VICA win parade

Commonwealth Bank and VICA won the respective commercial and school divisions of Pearl River's Homecoming parade competition here Saturday, Oct. 8, 1983.

"It was a super parade," said Dr. James Sones, chairman of the parade and dean of PRC's vocational-technical education. "In fact, we had more bands and more participation than ever."

Commonwealth Bank of Poplarville beat out Hancock Bank of Poplarville for the first place, while Movie Star, Inc. took third in the commercial division competition. Last year Hancock placed second and Movie Star was first.

The Vocational Industrial Club (VICA) took first place in the college division, while Phi Theta Kappa nabbed second and Phi Beta Lambda nailed down third place.

Bands participating in the annual PRC event included Poplarville, Pearl River, Bassfield, Prentiss, Hancock North Central, Lumberton, and Pearl River Jr. College.

Featured in the parade were Miss Susan Reagan, Pearl River College's 1983 Homecoming Queen and her court, as well as Poplarville High School Homecoming Court.

Sones said there were more than 100 entries and he estimated the parade's length to be more than two miles.

"I really appreciate the participation from the community and campus organizations," Sones said. "The Homecoming parade was a tremendous success and it's because so many people contributed their time and energy to the event."

Sones said a special thanks to Don Bradely Ford of Poplarville who again provided numerous Ford cars and trucks for pulling floats.

Marion becomes MASH

Marion become MASH
for Red Cross Drive

by Kelly Smith
Staff Reporter

The lobby of Marion Hall looked like an episode from MASH set with hospital tables, nurses, and patients — but in this scene, nurses weren't issuing blood but receiving it.

The annual Red Cross Blood Drive, a community service project sponsored by MASN, was held Thursday on campus and due to the overwhelming response from the students, the drive was a success.

A total of 103 pints of blood was collected, far exceeding the initial goal of 90. Charlotte Odom and Linda Buffington, MASN advisors, was pleased with the outcome, saying, "We couldn't have done it without the students."

Harvey Seligman and SPARC members were on the move an hour prior to the opening of the drive, setting up equipment in preparation for the day ahead. The drive got underway at 9 a.m. as students were already lining up to get an early start.

Many students volunteered their services, assisting advisors and distributing refreshments to donors.

For some students, giving blood was a new experience. Kevin Franklin summed up his thoughts as a first-timer . . . "It felt weird," he laughed, "But I just came for the cookies."

Whatever the case, student donors must be commended for their participation in this life-saving event, because blood, as Odom said, cannot be manufactured — only shared.

I told you this wasn't a good idea

Now this doesn't hurt.

I didn't think it was that bad.

Ouch!!!!!!!!!
